**So, grab a group of friends and come along for a wonderful evening of Billy T.**

**Billy T: Te Movie** celebrates the life of the legendary Billy T James. The film explores Billy's extraordinary talent as musician, singer, comedian, actor, writer and artist... it even attempts to uncover the source of his trademark giggle. With humour and love, the film tells of Billy's meteoric rise to national fame and his tragic downfall into ill-health and financial collapse.
